

Secretary's Report

Hello, my name is _____.

This is the Plantation Tuesday Night Step Group. We meet here every Tuesday to cover a step and corresponding tradition. On the last Tuesday of the month, we study the tradition of the month and the corresponding concept. After we finish all twelve steps, we hold a special meeting, often covering some of the history of AA.

We hold our business meeting on the third Tuesday of each month, which is when we select the next month's chairperson.

We are always looking for new members. If you do not currently have a home group and would like to join us, please see any of the group members after the meeting.

We have literature available, and we have Big Books and 12&12s for sale. If you are new and you do not have a Big Book but you would like one, please see me after the meeting.

Are there any announcements for the good of AA?
